

# Project Manager/Business Developer aircheckr

*Want to contribute to a better air?  
Join nazka*

nazka mapps is developing innovative mapping applications and location-based API's. Aircheckr ([www.aircheckr.com](http://www.aircheckr.com)) is a key product of nazka. It creates and integrates high quality air quality information into external services, applications or devices. Right now, we are looking for an enthusiast that further explores and manages the business opportunities of aircheckr.

## We welcome you with

- ✓ An open and modern management with lots of development **opportunities** and growth
- ✓ An expanding team that supports you. We let each other **grow**
- ✓ Work **flexibly** at **Leuven** or at **home**
- ✓ Eye for good **work-life balance**
- ✓ An interesting **mix** of local, international projects and proprietary products
- ✓ A **nice salary package** with fringe benefits (meal vouchers, mobile, laptop,...)

## You have

- ✓ a bachelor/master degree (or convince us if you think that is not necessary for the job)
- ✓ 1-10 years of **experience** in project management and/or business development
- ✓ face-to-face (B2B) **selling experience**
- ✓ excellent **communication** and presentation skills
- ✓ working experience with social media (a good pen)
- ✓ experience or strong interest in the **air quality topic**
- ✓ hands-on mentality

## Moreover you are

- ✓ a **team** player, helpful, you want to win together
- ✓ eager to **learn** and open minded
- ✓ interested in IT and modelling/statistics
- ✓ interested in maps and **geographical** applications
- ✓ passionate with **sustainability**

## You will contribute to the

- ✓ **Management** of existing and new aircheckr initiatives/projects.
- ✓ **Exploration of new business opportunities** (incl. new markets)
- ✓ **Commercial growth** of aircheckr
- ✓ Maintenance and further enhancement of the aircheckr network (incl. marketing)
- ✓ Follow-up of the air quality topic
